Dear Pablo Barriga,

Government Claims Program (GCP) staff completed its investigation of your claim
and rejected it for the following reasons.

The claim involves complex issues that are beyond the scope of analysis and legal
interpretation typically undertaken by the GCP. Claims involving complex issues are
best determined by the courts. Therefore, staff did not make a determination
regarding the merit of the claim, and it is being rejected so you can initiate court
action if you choose to pursue this matter further.

If you choose to pursue court action in this matter, it is not necessary or proper to
include the GCP in your lawsuit unless the GCP was identified as a defendant in your
original claim. Please consult Government Code section 955.4 regarding proper
service of the summons.

If you have questions about this matter, please feel free to contact GCP by phone,
mail, or email using the contact information below. Please remember to reference
the assigned claim number (18001992) in your communication.

Sincerely,
